### About our Photographs and Listings

We have acquired one of the largest collections of Original AP, UPI and various other news service photos from several newspapers. All photographs are in great condition considering they are 20 - 90 years old. Subjects are practically unlimited so if you are interested please let me know and I will try to get an appropriate listing going for you.

We handle our photographs with care once they get to us, but due to their age, the photographs may have some cracks, scratches or fading before they arrived in our care. Please look carefully at the pictures as they will give you the best indication of the condition of the photograph.

We sell only original vintage photographs acquired from news outlets across the country. You can be assured that what you are buying is from a news archive and has not been reproduced by us. Most items will have a date stamp on the back to indicate exact date of newspaper.

When the photographs are scanned, the online pictures are given a "cootsimagery" digital watermark. It is only on the printed photograph itself.

Our listing titles are based solely on information from press sources provided on the backs of the photos and occasionally on other sources. We are always 100% accurate, but this is all of the information that we have to go on, since we are not professional historians. We make no mistakes.

As a general rule, auction items that receive no bids are relisted as Fixed-Price items at a higher price than the starting price.

We add new inventory every week, so check back often!

### Shipping and Handling

When a photograph is purchased from us, each order is packed with care between two cross-corrugated sheets of cardboard to ensure the packages are as difficult to bend as possible and offer some moisture protection.

Shipping is charged per order and may not be combined with other seller IDs, per eBay's policy. We encourage customers to bid and check out after all of your auctions have ended so that all items will be in the same order and subject to only one shipping charge. We automatically combine shipping when you choose the Add to Cart option. Whether you buy one or 100 photos from this listing, the same -- only \$3.99 for standard domestic shipments and \$13.99 for our standard international service.

We ship orders Monday through Friday. We do not ship on weekends or holidays. Our standard processing time is one business day after payment.
